Moris Nou Zoli Pei
12, 13 and 14 July 2019

Business Mauritius is pleased to be a member of the Centralised Cleaning Coordination Committee that will establish a long-term programme for the cleaning and embellishment of Mauritius.

As such, we are pleased to be the partner of the Mega National Cleaning and Embellishment Campaign organised by the Government of Mauritius to be held on Friday 12 July, Saturday 13 July and Sunday 14 July 2019 in all regions of the country.

Prime Minister’s Vision
“The Clean Up Mauritius and Embellishment Campaign has been set up to initiate actions and to ensure an effective coordination between the public and private agencies responsible for cleaning and maintenance, and take action for the prompt cleanliness of various regions of the country. The Campaign is based on a multi-sectoral approach and community participation.”

For this three-day campaign, hotels are being mobilised by AHRIM and Business Mauritius encourages all companies to engage in the various activities planned by Municipal and District Councils by contacting them directly.

The following leaflets provide details of activities in each locality with the corresponding organisers’ contact details:
